ALL MEETINGS ARE HELD ON THE LAST WEDNESDAY OF THE MONTH, EXCEPT DECEMBER AT THE AMERICAN LEGION POST 195 LOCATED ON VIRGINIA AVENUE IN BALTIMORE HIGHLANDS. ALL MEMBERS ARE ENCOURAGED TO ATTEND THE MEETINGS. A TENDING WILL KEEP YOU INFORMED ON CLUB HAPPENINGS AND EVENT PLANNING. THIS IS ONLY ONE NIGHT A MONTH. THIS IS YOUR CLUB AND TO BE ACTIVE YOU NEED TO ATTEND AS MANY AS YOU CAN.

6-25-08 MEETING

The Street Survivors meeting was called to order with the pledge of allegiance and a short prayer by Ron at 8:05 P.M. Important discussion of the new cruise lot seems to be a no go at the Weis Food Market. Ken said they have not returned information about this issue. However they are still looking into the use of lots at the Wal Mart lot which is located on Washington Blvd. Also the N.A.C Church on B and A Blvd. Kenny is also meeting with management of the Glen Burnie Mall on Ritchie Highway. The Mopar Club had asked us to join them on Friday Nights. Wayne Gerst was taking applications for the 4th of July parade in Severna Park. He gave info on where to line up the cars for the parade route as well as letting those that are participating know the cars will be judged at Cyprus Creek Park. Knowledge of Trophy winners will be in the mail. He also invited everyone back for a good ole BBQ at his home. There will be no Friday Cruise night at the lot on July 4th. Kenny thanked Chris for the great car show at St Casimir's. It was a great day for our car club members with the great Polish food as well as the carnival like atmosphere. Thanks to Dave Williams for the safe trip through the city. The Rebels car show was also a great success for the 22 members that represented our car club. Mary received trophies and Bill took a great picture. There are a lot more car shows announced in the newsletter. Fliers for the seafood festival in Cambridge will be available. There is a charge of \$30.00 per person in car and the money will be needed by the meeting in July. The Road Captains are getting together for the car cruise to Dover, Delaware, on July 19. There was mention of a night cruise to Hagerstown mall one Saturday Night. The annual hot dog and Ladies cruise lot night will be held on Friday June 27. There will be Roses for all the gals that drive onto the lot. Also 5 trophies and pictures will be taken by Bill. Kenny should have the shirts for sale at the lot also. Mary had a check sent to her for the club for \$200.00 as part of the 2nd place club participation in Ocean City. The treasury report was \$930.00. Please see Tim Shue to place info about your car and history for the club's website. Still waiting to see where we will be having the Veteran's day car show on Nov 9th. Please see Dina if you have not received your membership card. New members were voted into our club. They were William Lutz with a 1983 Ford Mustang GT. A 1993 Ford Mustang LX convertible and a 1994 Dodge Viper. Bryan and Terry Jones with a 1964 Chevy Impala SS Convertible, 1964 Chevy Impala SS Hardtop, 1964 Benz 230SL and a 1979 Benz 450 SL. The 50-50 was won by Shirley Mayola. Meeting was adjourned at 9:05pm. Next Meeting on July 30, 8pm.

Car Care Tip of the Month

Keep Your Car Looking Like It Was "Just Detailed" Every Day...

Inside and Out

Regular maintenance with a mist and wipe product removes fresh contaminants before they have time to bond to, or etch into, your paint finish. This is the missing link between washing and waxing that dramatically extends the durability of car wax. Keep Meguiar's [Meguiar's Quik Detailer®](#) and a [Supreme Shine Microfiber](#) or [Ultra Plush Super Terry](#) towel readily available to quickly and safely remove water spots and contaminants like bird droppings, bugs, tree sap mist, road film, dust and overspray and to provide a renewed shine. Once a mist and wipe product becomes slow to wipe off, that's your clue that it's time to wax. Stubborn stains or spots that cannot be removed with a mist and wipe product should be immediately washed and may require the additional step of cleaning.

Interior surfaces are routinely exposed to dust, ashes, dirt, grime, spills, and fingerprints that can dull and damage surfaces. Meguiar's new mist and wipe [Quik Interior Detailer](#) and [Supreme Shine Microfiber](#) or [Ultra Plush Super Terry](#) towel provide a safe, quick and easy way to keep plastic, vinyl, rubber, leather, metal, and even audio/video/navigational equipment, clean and revitalized. This is the perfect companion product for the regular protection and nourishing care necessary to maintain interior surfaces.

"Frequent car care is easy car care."

Thú & low bad the weather was when Mark & Sandy Deeds took these pictures.

Several of us cruised up to the Hagerstown Mall for the bi-monthly cruise-in. The cruise was lead by Dick & Mary Cox and following were Tom & Diane Pattan, Karen & Mike Smith, Bev & Bill Stallings, Marie & Mike Higgins, Bob Sexton, Kenny Provenson & Debbie Mathews. There were 339 cars there.

WINGS & WHEELS JULY 19 DOVER AIR FORCE MUSEUM

We had a Cruise to the show lead by Rick Woolridge and granddaughter Krista, followed by Dick & Mary Cox, John & Dina McKenny, Dave & Linda Williams, Mike & Marie Higgins & Tom & Diane Pattan. This is a show to remember for next year. There were over 330 registered and the show was held on the grounds of the Air Force Museum with the cars parked under and around the planes. The Museum was open to visit as were the planes. Although it was a hot, hot day there was a nice breeze all day. We stopped along the way at a Country Store for goodies and also on the way home. It was Krista's 13th Birthday and after the show we all stopped for dinner to celebrate. This was a judged show, Congratulations to Tom, Top 50 and to Dick, Best Interior.

Am My Own Grandpa

Many, many years ago when I was twenty-three, I got married to a widow who was pretty as could be. This widow had a grown-up daughter who had hair of red. My father fell in love with her, and soon the two were wed. This made my dad my son-in-law and changed my very life. My daughter was my mother, for she was my father's wife. To complicate the matters worse, although it brought me joy, I soon became the father of a bouncing baby boy. My little baby then became a brother-in-law to dad and so became my uncle, though it made me very sad. For if he was my uncle, then that also made him brother to the widow's grown-up daughter who, of course, was my stepmother. Father's wife then had a son, who kept them on the run. and he became my grandson, for he was my daughter's son. My wife is now my mother's mother and it makes me blue, because, although she is my wife, she is my grandma too. If my wife is my grandmother, then I am her grandchild. Every time I think of it, it simply drives me wild., for now I have become the strangest case you ever saw. As the husband of my grandmother, I am my own grandpa!
