

NEWS & VIEWS

Club Members,

Here we are again as another month has passed. It seems like Friday nights are looking good. Let's hope for some good weather to keep the cruise lot going. It's been nice to see all the members at the shows. We've been getting more cars at the Bakery Express for our Sunday morning cruise spot. If you haven't been there you should try it.

Thanks to Russ Richards for putting together the great cruise we went on to Pennsylvania. Let's keep up the great work that you all are doing.

Happy & Safe Cruising,
Kenny Provenson, President

Minutes of the May 27, 2009 Meeting

The meeting was called to order at 8:07pm with the Pledge of Allegiance and Prayer. President, Kenny stated that Chris did another great job with the show at St. Casimir. The donation bucket collected \$500.00. Chris presented the Club with a plaque, thanking us for making it a success. It was a great day.

Bill Grammer had a great turnout for the Rebels Show, another great show to attend. Veterans Show is Nov. 8, 2009-we are looking for sponsors for trophies, \$15.00 or 2/\$25.00. Forms are in your Newsletter. This is a big show and we need plenty of help.

T-shirts - \$13.00, new order blank in the Newsletter. Colors are tan, red, gray & black & blue. See Tim Shue if you want to order.

No Sunshine Girl report-we miss you Santa. Let her know if anyone is in need of a card. Mary read letters from the Veterans thanking us for everything we do for them. The Memorial Day car display is another great event to attend. Plan to be there next year, it's very rewarding.

Russ is planning a cruise and is looking for suggestions of where else you would like to cruise. Pikesville Day is Aug. 23 and Big Cam and The Lifters is the band. Let Rick know if you are planning to go so they can arrange parking.

New Members voted in:	Tony & Marcia Schab	94 Ford Lightning

I love technology. Some of the best technology in the last 15 to 20 years has been the Internet, cell phones, GPS, DVR and caller ID. I have to admit that I absolutely love caller ID. I think we all love the ability to screen our calls. We all probably have certain callers we avoid when we aren't in the mood. Well I have a question for you today: What if your phone rang and you looked down and saw " God " on the caller ID? What if it said " Jehovah " or " King of Kings ?" Would you answer that call?

The key to understanding Gods call is realizing that the call is not all about you. This is how God works. He does not call us based on who or what we are, but rather on who He is going to make us into. God wants to take you and I from someplace to someplace. He wants to take you from where you are to a place in his life. He won't include all the details, but the call still comes. Details in Gods call aren't needed because remember the call is not about you, but all about God and the calling on your life.

Understanding Gods call is accepting that it will require sacrifice. Anytime we are going to follow the call of God, it will require a separation from something. Jesus said we must deny ourself, pick up our cross and follow him. Understanding Gods call is also to receive all the promises that go with it. God promises: " I will finish the work I started in you.

So what is God calling you to today? God is calling some of you to salvation. Some of you need to make a personal commitment to Christ today. God is calling some of you to serve. Some of you need to start using some of your talents and abilities to serve others. God may be calling some of you out of an addiction. You may be trapped by drugs, alcohol, and even pornography, but God is calling you out of this into a better way of living.

Your phone is ringing. You check the caller ID. It's God. Will you answer?

The Lighter Side

Johnny's mother stops to watch her son read the Bible to their cat. " Isn't that sweet" she says. But an hour later, she hears a terrible racket. Running out the door, she finds Johnny stuffing the cat into a bucket of water.

" Johnny, what are you doing?" " I'm baptizing Muffin," he replies. "But cats don't like water." "Well then he shouldn't have joined my church."

Thought for today: Life is a journey, not a destination.
