Members,

I would like to thank everybody for their help so far this year. So many members are missing the good times on the road with the Club, cruises with Russ, Harrington, Dover and Southern MD. The Western MD Round-up is coming up Sept, 3-5. It's a great weekend trip. You can camp or stay in a hotel. A great trip, cars must be pre 1967. On Thursday night there is a cruise in Frostburg that draws 600 cars. See me if you would like more info.

Don't forget the Club Picnic Sept. 19th. Again thanks and keep it up!

Keep cool!

CLUB CRUISE

We had a nice time as several of us met at the Bakery and took a cruise up to the Amish Market in Shrewsbury. Russ Richards planned the trip well and took us on a very scenic cruise via Pretty Boy Dam to Jimmie Cone in Mt. Airy. Along for the Cruise were Russ & Amanda Richards, Tim & Bonnie Shue, Tom & Diane Pattan, Bill Grammer and friends Carey & Maryellen Jacobson, Jim & Margaret Pfaff and a couple with a Mustang, (sorry not sure of their names)

Chaplains Corner

BY: Dick Smith

In 2004, we were touched by the passing of former President Ronald Reagan. President Reagan never forgot his humble roots. Working as a life guard, broadcasting sports and acting all helped prepare him for the highest office in the land. He also believed that God had a plan and a purpose for his life.

God gave him natural gifts; looks, voice, personality and intelligence. He worked hard to develop these, but never took life too seriously. Like former President Lincoln, he learned that sometimes we have to laugh at ourselves.

Reagan was, as he said, an eternal optimist. For him the glass was never half empty, but always half full. The scriptures tell us that as we think in our hearts, so we are. St. Paul reminds us to consider the things that are pure and lovely. (Phil 4:8). May your cup always be half full.

On the lighter side

Amazing home remedies:

1. Avoid cutting yourself when slicing vegetables by getting someone else to hold the vegetables when you chop.
2. For high blood pressure sufferers~ simply cut yourself and bleed for a few minutes thus reducing the pressure on your veins. Remember to use a timer
3. A mouse trap placed on top of your alarm clock will prevent you from rolling over and going back to sleep after you hit the snooze button.
4. If you have a bad cough, take a large dose of laxatives, then you'll be afraid to cough.
5. You need two tools in life- wd 40 and duct tape. If it doesn't move and should, use th wd 40. If it shouldn't move and it does use the duct tape.
6. If you can't fix it with a hammer, you have an electrical problem.

Thought for today: Some people are like slinkies~not really good for anything but they bring a smile to your face when you push them down the stairs.

FUTURE CLUB CRUISE

Plans are under way for another cruise in August to tour Antietam Battlefield, then to Devils Backbone Park for a picnic, then ending up in Hagerstown for their cruise night up there. A date has not yet been determined, as soon as it is I will let you all know. We have to check with the Park to see what is good. I am asking for those who do come to bring something for the picnic, there are grills available so we can cook hamburgers and hot dogs, etc. The fee to reserve the pavillion is \$50 so we would have to split the cost equally.
