JANUARY & FEBRUARY 2010

Club Members,

Remember as we begin our new year it will be time for the election of Officers and selection of the Board. The Office of President will be open. Come and nominate some members for the new year. I want to say thanks for all your support for the time that I have been President.

Have a Safe & Happy New Year
Kenny 410-370-6045

Congratulations to Club Members of the Year Bill Grammer and Tom Pattan

This year we had 2 outstanding Members who worked very hard for the good of the Club. It was tough to pick only 1 of them so the Board decided to award both of them as Members of the Year at the Christmas Breakfast Car Show. You all know Bill as you see him clicking the number of cars as they enter the lot on Fridays, taking pictures or emailing you info. Bill also has contact with the Veterans Facility on Loch Raven for all the activities we are involved with and also the Rebels Car Show. Without Tom's dedication to the Club, the trailer would never make it to the lot on Friday or any show. He has to stop work to do this and he can always be counted on for anything the Club needs. We are proud to have such outstanding Club Members representing our Club. Thanks Guys!

When I was in the military there is a procedure known as an exit strategy. Troops go in, they work to achieve their objective, but prior to the operation, the question is asked and answered, "how are we going to get out?" We have no choice as to when or where we enter this life, and generally no choice in our exit. Life is a risk and we are subject to accidents, health problems, crime & evil. However, we all know that we are going to exit planet earth. And how is that going to be?

We would be miserable creatures if we believe that this life is it. However, just as the ocean is deep, so the love and mercy of God is wide and deep. Our exit strategy involves faith and trust. We can say with the Psalmist, "My times are in your hands." And we can confess with the writer of Psalm 121. "the Lord will preserve your coming in and your going out." He will preserve your soul and spirit.

On the Lighter Side

I've sure gotten old! I've had two bypass surgeries, a hip replacement, new knees. I've fought prostate cancer and diabetes. I'm half blind, can't hear anything quieter than a jet engine, take 40 different medications that make me dizzy, winded, and subject to blackouts. I have bouts with dementia. Have poor circulation; hardly feel my hands and feet anymore. I can't remember if I'm 85 or 92. I've lost all my friends. But, thank God, I still have my driver's license.

The Sermon I think this Mom will never forget... this particular Sunday sermon... "Dear Lord," the minister began, with arms extended toward heaven and a rapturous look on his upturned face. "Without you, we are but dust..." He would have continued but at that moment my very obedient daughter who was listening leaned over to me and asked quite audibly in her shrill little four year old girl voice, "Mom, what is butt dust?"

When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use, Grandpa. The mosquitoes are coming after us with flashlights."

A nursery school teacher was delivering a station wagon full of kids home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started discussing the dog's duties. They use him to keep crowds back," said one youngster. "No, said another, "he's just for good luck." A third child brought the argument to a close. "They use the dogs", she said firmly, "to find the fire hydrant."

The young man from Mississippi came running into the store and said to his buddy, 'Bubba, somebody just stole your pickup truck from the parking lot!' Bubba replied, 'Did you see who it was?' The young man answered, 'I couldn't tell, but I got his license number.'

It is time for elections. Anyone interested in nominating someone for an office or interested in an office please call Santa Callahan 410-255-9369 or Diane Pattan 410-636-5212 or Debbie Mathews 410-766-0876. Elections will be held at the Feb. meeting.

CHRISTMAS BREAKFAST CAR SHOW

The weather was definitely working against us that day but it didn't keep everyone away. We had 10 or more cars show up but almost everyone who came registered their car even if they didn't bring it. The show benefited the Juvenile Diabetes Research Foundation and it was quite successful thanks to the donations, bake sale, basket raffle and the auction. Thanks to Rick and Janet Woolridge, Chris Derkacz, John & Dina Mckenny & James Helmick who chaired the show. Special thanks to Kenny for doing a great job with the auction, Jim Anderson for playing Santa and everyone else who helped out in anyway. Club Members of the year, Bill Grammer & Tom Pattan were presented a plaque. Thanks to Don Harris for the plaques and to Bill Grammer and Russ Richards for the pictures. 10 Awards were given out.
