

## NEWS & VIEWS

JULY 2010

PLEASE NOTE THAT ALL 4TH SATURDAY CRUISE NIGHTS HAVE BEEN CANCELLED, ONLY FRIDAY NIGHTS.

Members,

I am glad to see that the weather is finally working with us and we have had some good cruise nights and hopefully it will continue throughout the summer. I want to thank everyone who has helped out in any way. The Swap Meet was a success and thanks to everyone who helped out. I especially want to thank Wayne Gerst for the use of his farm for the event. I had a good response about it and several have asked if we plan to do it again this year in the fall.

Have a good summer and safe cruising.

Rick Woolridge, President

A few of us went to the Loch Raven Veterans Extended Care Facility on May 29 to put our cars on display for the vets. Bill Grammer, Rick Woolridge, Tom & Diane Pattan, James and Linda Helmick, James Helmick, Jr. and Dave Williams, Jonathan Pulver, Coleman with the green Mustang joined us and two members from the Chesapeake Corvette Club were there. We got to have lunch with the veterans. We talked with Barbara Swann and she is so delighted that the Street Survivors care so much about the Vets.

## Chaplains Corner

BY: Dick Smith

In World War II, many soldiers were trained in river crossing. Through the years, writers and poets have compared death to crossing the river that divides this life from the life to come. Thomas A. "Stonewall" Jackson spoke of this in his last words. "Let us cross over the river and rest in the shade of the trees."

Crossing a river in the military involves planning and preparation. This life is a classroom, the school for the next. Some people have their own obituary or memorial service planned in advance. The prophet Amos warns, "Prepare to meet thy God."

In the military, troops know when a river is to be crossed. In death we are not sure. Life is fragile. We are but a heartbeat away from eternity. Some have said, "live each day as though it were your first as well as your last."

Someone said that when loved ones cross the river we say, "there he or she goes." And on the other side they say, "here he or she comes." Thanks be to God that he is indeed with us when that time comes to cross the final river.

### The Lighter Side

I couldn't find my luggage at the airport baggage area, so I went to the lost luggage office in BWI Airport and told the women there that my bags never showed up. She smiled and told me not to worry because she was a trained professional and I was in good hands. "Now," she asked me, has your plane arrived yet?

.....They Walk Among Us!

Thought for today: Why do psychics have to ask you your name?

This is a new Vietnam Memorial located at the York Co. PA Fairgrounds seen by several members attending the recent Street Rod Nationals. Rick & Janet Woolridge, James & Linda Helmick & Tom & Diane Pattan attended the show.
