President's Message

Well it was another rainy month but we made it through it. It is nice to see everyone that shows up on Sunday mornings at the Bakery Express, it is a lot of fun.

I would like to give Chris Derkacz a big hand for the St. Casimir Show and Festival that he and the church puts on. Again this year it was a great time and it is nice to see all the support from the members that went to the show. As I've said before that is what makes this a great Club. Let's keep it going.

You all make this the Best Club, Thanks again. I would like to say congrats to Tom Pattan on his first Best of Show win.

BY: Dick Smith

While traveling west of Frederick MD. on a narrow road, we came across a single lane bridge. Thus the driver must wait for oncoming traffic, or else wait his or her turn to cross the small creek. There is a sign as you approach the little stream. The sign says: Courtesy Bridge.

I remember years back we heard, " Please, Thank you, Mr. or Mrs. And Excuse me." These words are seldom heard today. Often clerks at a store act as though they do not care if they wait on you or not. Folks are impatient, and there is another new problem "Road Rage."

Whatever happened to a little bit of kindness or courtesy? In the Scriptures, God is spoken of as being kind. Ephsians 2:7 speaks of Gods kindness as being revealed in Jesus. Kindness involves courtesy.

Just as the bridge west of Frederick makes it possible to cross a stream, so many times kindness and courtesy bridge human needs and assist in better relations. Again the Bible says, " Be kind to one another." In the little town of New Market just outside of Frederick one of the small shops is called " The House of Kindness." May our homes and lives be houses of kindness and bridges of courtesy.

The Lighter Side

IDIOTIC THOUGHTS OF A RETIREE'S MIND WANDERING

I planted some birdseed. A bird came up. Now I don't know what to feed it.

I had amnesia once -- or twice.

I went to San Francisco. I found someone's heart. Now what?

Protons have mass? I didn't even know they were Catholic.

All I ask is a chance to prove that money can't make me happy.

If the world were a logical place, men would be the ones who ride horses sidesaddle.

What is a "free" gift? Aren't all gifts free?

They told me I was gullible... and I believed them.

Teach a child to be polite and courteous in the home and, when he grows up, he'll never be able to merge his car onto the freeway.

Experience is the thing you have left when everything else is gone.

One nice thing about egotists: they don't talk about other people.

My weight is perfect for my height -- which varies.
