Club Members,

I want to thank all the dedicated Cruisers who showed up on our Opening Night even though it was rained out. The following week gave us a threat of rain but we still had a good turnout. Thanks to everyone who set-up and cleaned-up. Hopefully we will have good weather so we can get in some good cruising.

Our first show is April 27 at the Weis Grocery in Glen Burnie. Hope to see everyone there. Until then safe cruising.

NEXT MEETING 8 PM APRIL 30

ALL MEETINGS ARE HELD ON THE LAST WEDNESDAY OF THE MONTH, EXCEPT DECEMBER AT THE AMERICAN LEGION POST 195 LOCATED ON VIRGINIA AVENUE IN BALTIMORE HIGHLANDS. ALL MEMBERS ARE ENCOURAGED TO ATTEND THE MEETINGS. ATTENDING WILL KEEP YOU INFORMED ON CLUB HAPPENINGS AND EVENT PLANNING. THIS IS ONLY ONE NIGHT A MONTH. THIS IS YOUR CLUB AND TO BE ACTIVE YOU NEED TO ATTEND AS MANY AS YOU CAN.

MINUTES FROM MARCH 26, 2008 MEETING

The meeting was called to order at 8:03pm with the Pledge of Allegiance and a short prayer by Ron Taylor. The introduction of the new Board Members as well as the returning Board were announced to the Membership with each of their positions. A treasury report was given by Mary Cox. Again Kenny announced the many car shows that are coming up and that there are many parades coming up soon that would like our cars to be part of. Flyers were displayed on the table at the meeting. A list will always be posted in our Newsletter. There was also a benefit for the Polish Home Hall and other events discussed by our Executive VP, Richard Anderson, who works hard for their benefit. If anyone knows of someone in need of a motorized wheelchair, please see Ron Taylor. Our Club Newsletter will be distributed at the lot on the Friday before and after the meeting and at the meeting. Others will be mailed at that time. We are hoping for more participation at the lot. Again Business Card Ads are \$25.00 and Patron Ads are \$10.00. We again discussed the T-shirts for our Club Members. The polo shirts voted on last year were voted down. We are going with the way they were before but with the new logo of the Club on the back. Diane will get together with Mike for the price of the set-up and it will be discussed at the next meeting. It was mentioned that someone needs to volunteer to be in charge of these orders. If someone is interested please see Kenny. This also goes for the hats, jackets and sweatshirts.

Our first Cruise night is at KFC on Friday, April 4. Kenny has been approached by the Weis Food Store behind the JBA car dealership to hold our Cruise nights there. They have a total of 350 spots for our cars with the use of the restrooms to our members and a place to eat. We had a vote on this to move the lot. It was 62 to 12 in favor of moving to Weis. We will know more by the first Cruise night. The Lost In the 50's will be having there first Cruise night, Sat. April 5 at their new lot, by Boscov's at the Marley Station Mall.

We are planning to hold our first car show for the Club on April 27 at Weis market on Ritchie Hwy. We are checking on this with store. Mary Cox sold 50-50 chances for the benefit of a young mother who is very ill from breast cancer and this money will help her 2 small children. Congratulations to Diana Maddox on her new house. The Westminster show is coming up on April 20 and we will have 2 Road Captains organizing who will following them in the convoy up to the show. There will be a sign up for this. Fred was honored by our Members at the meeting for all his efforts and time making this a great Car Club. He was presented a giant card signed by everyone and his very own T-shirt with No. 1 member on the back and a plaque. He also received 50% of the 50-50. Special thanks to Fred for all that he has done.

Our food drives from now on will be announced, no longer on the first Friday. We voted in 6 new members. Welcome goes to Joseph Angelozzi & Tammy Fleming 1957 Chevy Belair & 1965 Ford Mustang, Joe Derkacz, 1981 Corvette & 1995 Chevy S-10, Brian Whisman, 1991 Camaro Convertible & 1992 Camaro Convertible 228, Mike Tiberio, 1972 Nova, Larry Lawson, 1948 Anglia 2 dr. Custom & 2002 Cadillac Eldorado and Michael Virtue, 1966 Dodge Dart GT. Membership cards were given out to those who paid last month and tonight. Congrats to John Paczkowski won the 50-50, \$91.00. The meeting was adjourned at 9:10pm. The next meeting is April 30.

ATTENTION:....IF YOU ORDERED A CARS & PLACES MAGAZINE LAST YEAR HERE'S THE ANSWER WHY YOU HAVENT RECEIVED THE MAGAZINE YET. THANKS TO BILL GRAMMER WHO HAS BEEN IN CONSTANT CONTACT WITH RICK

We are working to release a new version of the magazine for this year. The one we produced last year we were forced to discontinue due to lack of advertising. (advertising supports 95% of the costs of creating/printing the magazine) Our new effort is quite a bit smaller but still contains the all-important car show calendar. We also have updated our website with all of the calendar information. So now we have two ways of receiving magazine, the fast way, by email. Readers will receive the magazine attached to an email the day it is published. It is in a full-color, readable format that the reader may print on their own printer if desired. We will also mail a copy the same day to those who request it, they will receive it about a week later. Everyone on the original magazine's mailing list will receive the new magazine via US Mail. More information can be found on our website at www.carsandplaces.com. I am currently looking for advertisers for the new issues, we have formatted the new magazine so we only need one major advertiser for each issue, this gives the advertiser significant presence in each issue for minimal cost. Thank you for passing the word out to your club members. We are offering each person who paid for a subscription to the old magazine a free Cars & Places T-shirt since we were not able to continue the magazine as originally designed. Just have them contact me at the address or phone below. We also need folk's email addresses to allow them to receive the new magazine. Thanks for your help! And thank you for sending all of the event info you find!

Best regards, Rick 301-865-2118 301-514-3134 Mobile

A LITTLE HUMOR TAKEN FROM THE *TAIL-GATE*-BAY COUNTRY'S NEWSLETTER

A woman went to a pet shop & immediately spotted a large, beautiful parrot. There was a sign on the cage that said \$50.00. "Why so little." she asked the store owner. The owner looked at her and said, "Look, I should tell you first that this bird used to live in a house of Prostitution and sometimes it says some pretty vulgar stuff." The woman thought about this but decided she had to have the bird anyway. She took it home and hung the bird's cage up in her living room and waited for it to say something. The bird looked around the room, then at her and said, "New house, new madam." The woman was a bit shocked at the implication but then thought that's really not so bad. When her two teenaged daughters returned from school the bird saw them and said, "New house, new madam, new girls, The girls and the woman were a bit offended but then began to laugh about the situation considering how and where the parrot had been raised.

Moments later, the woman's husband Keith came home from work. The bird looked at him and said, "Hi Keith!"

Professional Car Care Tips (Taken from the Meguiar's Newsletter)

How can I tell if I have a clear coat finish?

To determine whether you have a clear coat or a single-stage finish perform this simple test.

- Find an inconspicuous area to test, such as the lower rear quarter panel of your car's fender or inside the door jamb.
- Clean this area first with car wash and water or Meguiar's Quik Detailer® or Ultimate Quik Detailer®. You don't want any dirt or grime to interfere with your test.
- Using a small piece of white cotton cloth, such as a piece of terry cloth towel, rub a little paint cleaner or Cleaner/Wax into the paint of this inconspicuous area.

After rubbing for a few moments, turn your cloth toward you and look to see if there is any color from your paint on the cloth. If you have a red car and you now have red paint residue on your cloth, this is a pretty good indicator that you have a single stage finish. If you have a red car and you don't see any red paint residue on your cloth, this is a pretty good indicator that you have a clear coat. **To be 100% sure, you should test in a couple of different areas.**

Note: If you have a white, or very light colored car you should use a dark piece of cotton cloth and look for the color of your car's finish on it after rubbing some paint cleaner or Cleaner/Wax into the finish for a few moments.
