Club Members,

Well here we are again, another month gone. It seems like we can't get a break from the weather. It still has been a good year, so all we can do is move on and enjoy the rest of the season. Don't forget about the Veteran's Show. I would like to see a lot of the members there to show the Veterans their support. The Food Drive has been reset for Nov. 6. Our Halloween Cruise Night is Oct. 30.

We need more members to come to our lot on Friday night. Always remember, this is your Club. Let's keep it going strong.

Happy & Safe Cruising,
Kenny 410-370-6045

Doug & Eileen Prinkey and Tom & Diane Pattan stopped by after the Halloween Poker Run.

It was a great day to cruise to a car show, so after leaving the Bakery on a Sunday morning, Kenny Provenson, Tom & Diane Pattan, Gary Grimm and Charlie Eakle took off for a car show in Street, MD . It was put on by the Slow Riders VW Club. When we got there they were surprised to see us and said there was no class for our type of vehicles since it was an air cooled show. They invited us to stay and gave a spot to park. The show was for a good cause so we made the best of it and really enjoyed the many VW's of all types there. They even enjoyed our vehicles. We passed out fliers for the Veterans Show and several said they would be there.

BY: Dick Smith

A person I know once told me that the definition of a VETERAN is "Someone who in some point of their lives signed a blank check made payable to their country for an amount of up to and including their lives." That is an honor, and there are way to many people who no longer understand it. "Jesus said, Greater love has no man than this that a man lay down his life for his friends.

We need to remember that GOD created this vast and glorious world we live in "FREELY" but also at great sacrifice. Let us never forget from the Revolutionary War to the current War on Terrorism and all the wars in between that sacrifice was made for our freedom.

Remember to pray praises for this great country of ours and also pray for those still in murderous unrest around the world. Stop and thank GOD for being alive and being free at someone elses sacrifice.

Remember only two defining forces have ever offered to die for you, JESUS CHRIST an the AMERICAN SOLDIER.

GOD BLESS YOU AND GOD BLESS AMERICA!

The Lighter Side

A husband and wife came for counseling after 20 years of marriage.

When asked what the problem was, the wife went into a passionate, painful tirade listing every problem they had ever had in the 20 years they had been married. She went on & on and on: neglect, lack of intimacy, emptiness, loneliness, feeling unloved & unlovable, an entire laundry list of unmet needs she had endured over the course of their marriage.

Finally, after allowing this to go on for a sufficient length of time, the therapist got up, walked around the desk and, after asking the wife to stand up, embraced and kissed her passionately as her husband watched with a raised eyebrow.

The woman shut up and quietly sat down as though in a daze. The therapist turned to the husband and said, 'this is what your wife needs at least three times a week. Can you do that?'

The husband thought for a moment & replied, well, I can drop her off here on Mondays & Wednesdays, but I go fishing on Fridays.

Word for today: "Bravery is being the only one who knows you're afraid."
