CLUB MEETINGS 2010

AUGUST 25 SEPTEMBER 29 OCTOBER 27 DECEMBER 1

Members,

Well at least the rain has avoided us on Friday nights and hope that it will continue. We have a lot of activities planned until the end of the year. Our Club Picnic is coming up and is always a good time for Members and their Families. Some of us will be going to the Western Round-up in Cumberland over Labor Day weekend. If you get the time, make the trip up, you won't be disappointed in the show. We have decided to have another Swap Meet in the Fall and are looking for vendors. If you need info give me a call 443-829-5658.

Thanks to everyone helping out at the Cruise lot and with all of our upcoming events. If you are attending the East Coast Nationals give me a call if you want to set up with the rest of us going.

Rejection is hard to deal with. Youngsters are often crushed when a teenage romance breaks up. We feel rejection when we don't get a promotion or someone makes life difficult for us.

Our Lord experienced a lot of rejections. John's gospel says: "He came unto His own people and they did not receive Him." He wept over the city of Jerusalem saying that he wanted to gather them to himself just like a mother hen would gather her chicks, and the people would have nothing to do with him, because he was a man of sorrows, acquainted with grief and rejection. The Lord assists us in those moments when we experience rejection.

Most writers experience rejections. The manuscripts they have worked on for so long and hard are turned down. This often happens without a note of explanation. I have heard writers say that they have enough rejection slips to wallpaper a room. However, a Christian writer has said; "the editors may reject us, but the Lord will never reject us." He says, "Whoever comes to me, I will never cast out or turn away."

In this world we will experience many kinds of rejections. Rejoice with the Lord.... There are no rejections.

On the lighter side

It's tough to stay married. My wife kisses the dog on the lips, yet she won't drink out of my glass.

Last night my wife met me at the front door. She was wearing a sexy negligee. The only trouble was, she was coming home.

My wife only has sex with me for a purpose. Last night she used me to time an egg.

Thought for today: The best sermons are lived, not preached.
